

WANTED

Native Swedish speaker for 'Casual Brand Communications & Brand Building'

Hey you!

We are NutriGo and our mission is to provide Stockholmer's with nutritious and healthy foods and beverages that are beneficial for their lovely human body's and will keep them energized, in a good and natural way, throughout the whole day.

We are currently going through the amazing pre-incubator program at the Stockholm School of Entrepreneurship and are ready to launch soon.

We believe that we can make this world a better and more sustainable place while reducing the carbon footprint as a business and eliminating the use of plastic. Sounds Hipster? Yes we are that a little as well!

So now **WE ARE LOOKING FOR YOU** fellow Hipster!

What you need?

- Excellent communication skills written and spoken in English and Swedish
- Interest in healthy food, sustainable life and going green.

What we can offer you?

- Going through a very exciting early stage business stage
- The possibility to learn how to grow a startup and accelerate it
- Being one of the first team members and working on the actual launch of a kick-ass Startup.

Working hours?

Free of your choice when and from where you do your work. It should be around **2-4 hours per week.**

We are looking forward to hear from you !
